## 2010-2011 Uniform Purchasing

At Crossroads Christian Schools we provide two ways for you to purchase school uniforms. You may either purchase uniforms from Dennis Uniforms or Lands' End. There is a link to both companies on the school's website as well. All uniforms must meet dress code policy standards even when purchased from approved uniform companies.

### **DENNIS UNIFORMS (CCS School Code AN00CC):**

Dennis Uniforms has a local office where you can try on and purchase any of the uniform pieces. The girls' plaid (for jumpers, skirts, shorts, skorts, hair accessories) is called ***Hamilton Plaid***. You will also find bike shorts, socks, and coed outerwear items (jackets, shoes, belts) which conform to dress code.

Dennis Uniform is located at 22825 Savi Ranch Parkway in Yorba Linda. You may contact Dennis at 714-637-8928 or visit them at [www.dennisuniform.com](http://www.dennisuniform.com).

### **LANDS' END (CCS School Code 9001-1870-4):**

Many of our families enjoy the convenience of ordering online and the quality of Lands' End. In their catalog, you will find all your polo shirts, blouses, pants, skirts, etc. Our plaid is called ***Classic Navy Large Plaid***. Be sure you aren't choosing another of their similar red/navy plaids. At Lands' End, you will also find shoes, backpacks, sweatshirts and more that meet CCS requirements.

You may contact Lands' End at 1-800-469-2222 or visit them at [www.landsend.com/school](http://www.landsend.com/school).

### **SHIRT REQUIREMENTS:**

All shirts must have the school's logo which is available from either company. Shirts may be white, red, or navy blue only.

### **PANT/SKIRT REQUIREMENTS:**

Uniform pants may be purchased from any store (Target, Walmart, Sears, etc.) as long as they meet all dress code requirements. Please remember that they must be appropriately proportioned (not form fitting, or excessively baggy). Pants, shorts, and skirts may be either khaki or navy blue. **Cargo and corduroy are not allowed in either pants, shorts, or skirts.** Skirts and shorts are also available in the school's plaid from both companies.

**Middle School P.E.** - Middle School students may choose one or more of the P.E. pants/soccer shorts listed in the current Lands' End catalog for P.E. use (sweatpants with logo, track pants and/or soccer shorts in red). If needed for warmth, students may wear either the Lands' End logo sweatpants or track pants only. Dennis Uniforms carries our basketball-length shorts and required P.E. uniform T-shirts. Note - any students who currently own a CCS P.E. uniform may continue to wear either or both pieces as long as they fit well and are in good shape.

\*Please refer to the Dress Code Policy if you need any further clarification on dress code requirements. The Dress Code Policy is also available on our website: [www.CrossroadsSchool.org](http://www.CrossroadsSchool.org).
